### Gluten-Free and Loving It!

CHERRYBROOK KITCHEN'S all-new line of unique cake batters, cookie mixes and frostings are coming soon to an allergy-free kitchen near you. According to founder Patsy Rosenberg, "Desserts without dairy products including milk, butter and eggs that tasted good just didn't exist." The line is also safe for those allergic to nuts. Finally, allergy sufferers can have their cake, and eat it too! Call 1-866-I-LUV-CBK for retail locations and ordering information.
